Guiding Students Towards a Brighter Future with 26+ Years of Expertise

As students transition from school to higher education, the decisions they make can shape their entire future. But with a rapidly evolving academic landscape, new career trends, and overwhelming university choices, finding the right path requires expert guidance. That's where I step in.

Only 3% of India's engineering graduates land quality tech jobs with packages over Rs 8 lakh: Survey

Over 80% of these graduates end up pursuing non-technical careers due to lack of available placement opportunities, claims survey

Who Am I?

I am **Mitesh Malhotra**, a dedicated academic consultant with over **26+** years of experience in the education industry. My journey began with a **Bachelor's degree from Delhi University**, followed by a **Master's in Psychology**, equipping me with a deep understanding of student behavior, career mapping, and academic counseling.

Throughout my career, I have successfully counseled and guided more than **27,000+ Students**, helping them navigate the complexities of higher education and achieve their academic aspirations. Whether it's selecting the right course, university, or career path, I ensure that every decision aligns with the student's strengths, interests, and long-term goals.

Your Study Abroad Success Deserves More Than Generic Advice - Get One-on-One Guidance from an Industry Expert!

✦ The Problem with Most Study Abroad Consultants:

- Many agencies rely on junior counselors with just 2-3 years of experience they follow scripts, not strategies.
- Students receive generic university lists & standard processes, with no real career insights.
- No personal attention - students are left figuring out their future with little guidance.

Your Future is Too Important for Trial-and-Error. You Deserve Personalised, Expert Guidance.

✦ You Get Direct, Personalised Counseling with Me – Mitesh Malhotra

- No outsourcing to junior consultants—you get my **26+** years of expertise, personally guiding your education & career decisions.
- Every session is tailored to your strengths, goals, and financial planning—not just an application process.

✦ A Custom Study Abroad Plan – Not a One-Size-Fits-All Approach

- Your career goals, budget, and aspirations are unique—so is my advice.
- I help you choose the right course, university & country based on your long-term success, not just what's trending.

✦ 600+ University Tie-Ups = More Opportunities for You

- Exclusive university connections mean better admissions, scholarships & visa success rates.
- I guide you through everything from selecting the right college to securing scholarships & financial aid.

✦ Master's in Psychology = Smarter Career Planning for You

- Unlike traditional consultants, I don't just look at grades - I analyse your strengths, interests, and global job trends to help you make a career-smart decision.
- No random choices, no regrets only a future-proof education path.

✦ 27,000+ Success Stories = Your Success is Next!

- My students are in top universities worldwide, successfully building careers and settling abroad.
- You're not just getting an admission process - you're getting a lifetime advantage with expert guidance.
